## **INTRODUCTION**

The youth/children harvest is one of the annual programmes of the Catholic Youth Organization of Nigeria, Our Lady of Fatima Catholic Church, Eleta. The primary aim of the harvest is to thank God for His mercies and protection. It is also a way of charging ourselves with the responsibility of keeping alive the fire of Christ's love in us and letting it shine to the world. On the secondary, the harvest also serves as a means of generating funds for the development of the house of God and for the support of the parish youth apostolate.

## **HARVEST PLANNING COMMITTEE REPORT**

This year's harvest thanksgiving began with the Youth/Children Family Harvest Thanksgiving on 8th June 2025. A total of 20 families had their thanksgiving before the main harvest day. On the harvest day itself, numerous families, tribes, and societies also came forward for their thanksgiving. This brought the total number of participating families and groups to a remarkable figure, reflecting the unity and generosity of the parish community.

In addition, some families brought non-perishable items, which were displayed and later sold during the bazaar to support the harvest.

## **THANKSGIVING DAY**

The 2025 Youth/Children Harvest was held on Sunday, September 14, 2025, at the parish. The Holy Mass commenced at 9:30am with Rev. Fr. Felix Adedigba as the chief celebrant.

The readings of the day were taken from:

First Reading: Numbers 21: 4b-9

Responsorial Psalm: Psalms 78: 1bc-2, 34-35, 36-37, 38

Second Reading: Philippians 2: 6-11

Gospel: John 3: 13-17

Homily Summary:

In his homily, Fr. Felix reflected on the scriptural passages, especially the Gospel reading. He admonished the faithful to always look up to Christ, just as the Israelites looked up to the bronze serpent for healing. He reminded us that God's love, revealed in Christ Jesus who humbled Himself and died on the cross, is the source of our salvation. He encouraged the youth, children, and indeed the whole parish community to remain steadfast in faith, obedient to God, and to always trust in His saving power.

The Mass proceeded as usual, and thanksgiving was offered at the appropriate time. Immediately after Mass, the bazaar began. Special guests were invited to the high table, and the opening prayer was led by Catechist Fadodun followed by the Youth Anthem.

The bazaar was anchored by Mr. Adeboje. Guests and parishioners were served with food and water prepared by the committee. The event was filled with joy, music, and generous contributions.

The bazaar ended with a closing prayer led by the Parish Priest at exactly 3:00pm.

The readers delivered the readings clearly and confidently, the choir rendered the hymns beautifully, the Mass server carried out all duties with precision and reverence, and the prayers of the faithful were offered devoutly. We were pleased to welcome our invited guests, who honored the occasion with their presence and participated actively in the celebration.

Despite the current economic challenges, the committee ensured that all needs were met. To supplement expenses, some bazaar items were graciously contributed and utilized to support the refreshments and overall welfare arrangements.

Through the collective efforts of the committee and the generosity of parishioners, the welfare and hospitality of the event were well managed, leaving everyone satisfied and appreciative.

## **FINANCE COMMITTEE**

The committee is pleased to report that various avenues of fund generation were successfully explored during the event. Family thanksgivings were joyfully offered, with detailed records carefully taken for proper accountability. We also received generous sponsorships from individuals and families who supported the celebration both in cash and in kind.
